TEAM USPA

MISSION

To enhance and grow the sport of polo in the United States by identifying young, talented American players and providing mentored training and playing opportunities leading to a pool of higher-rated amateur and pro players, and the resultant giveback to the sport of polo.

Team USPA is under the Polo Development, LLC whose mission is to develop, institute and manage USPA programs that grow polo through education, development and assistance thereby fortifying clubs and membership. This includes the training and development of players of all ages and skill; and the training, education and certification of instructors as well as the administration and evaluation of club development. These programs are the positive face of the USPA for clubs across the country.

PLAYER ROSTER

Team USPA is made up of some of the best up-and-coming American players who are available to play in medium/high goal polo for your next season.

This guide is organized by handicap for your convenience and contains profiles of our athletes, their tournament highlights and individual contact information.

The following pages are not just an introduction to the members who make up Team USPA, but a testament to our tradition of excellence.

Please e-mail teamuspa@polo.org or contact players directly for more information on any of them, their strings or references.
